Please note

- Games played full bisque to base 10 to appropriate CqE handicap rules. Maximum handicap 24.
- A time limit of 3hrs (3hrs 15mins if double banked) will normally apply, but may be varied by agreement of both team captains.
- In doubles, the number of bisques for each side will be the difference between half their aggregate handicaps and the base of 10 or if half the aggregate handicaps of either side is less than the base of 10, the number of bisques given by the lower-handicapped side to the higher is half the difference between their aggregate handicaps. A fraction of a bisque above a half is counted as one bisque, a fraction below a half as a half-bisque.
